

Turkey Shoot - Canons Brook Golf Club - Friday 31st October 2025

Hello everyone

Thanks to all those who attended The Turkey Shoot on Friday, I hope you all enjoyed it, and special thanks to John Binder, Tony Greenfield and Bob Barnes who sponsored the event.

I think you'll all agree that Canons Brook looked after us very well on the day, yet again.

The results are on our website, and for those who are interested (or not), here are some stats on the day...

Although there was some great scoring, no team actually managed to birdie the 3rd, 9th or 15th.

In total we managed 33 birdies, 94 pars, 15 bogies and tragically 2 double bogies (both on par 3's), I'm ashamed to admit one of which was by my team. Sadly, the other cost their team 1st place (but nobody blames you Jason ... honestly).
